the radical right and the murder of john f kennedy stunning evidence in the assassination of the president harrison e livingstone s major new book the fifth of his works on the death of jfk brings together for the first time all of the central evidence demonstrating a domestic right wing conspiracy rooted in texas which

assassinated the president on november 22 1963 the book represents forty years of work the book discusses in great detail the actual medical evidence and the forgery of the autopsy photographs and x rays which mr livingstone first exposed the alteration of the autopsy report the framing of the designated patsy lee harvey oswald and the substitution and fabrication of every single piece of evidence it discusses the role played in the murder by some of the most powerful men in the country lyndon johnson j edgar hoover and richard nixon as well as the rich oil men and companies who backed them it then describes the cover ups by the media the major investigations over the years the fbi and the mind control cooperation at work in the case to misdirect researchers and the public the book describes in great detail the people and companies in texas who planned and carried out the assassination it names names one recent investigation in the 90s followed mr livingstone s preceeding work and reinvestigated with the witnesses both he and the official investigations had talked to but this time took into consideration their documentation and what they had actually said and in a chapter this is his stunning new evidence from the u s government under president clinton that is blowing the lid off the case mr livingstone first revealed to the washington press corps in 1998 that there has been such a secret investigation and spoke for fifty minutes when the assassination records review board gave their final press conference as a result mr livingstone was on all major tv networks and on the today show nbc with katie couric the next morning the book also contains the story of dallas doctor charles crenshaw s law suit and the depositions of the editor and writer of the journal of american medical association who libeled him in articles in 1992 dr crenshaw s book about trying to save kennedy at parkland hospital shortly after the shooting came out on the same day as mr livingstone s major work on the medical evidence high treason 2 were jama s targets and the depositions contain much discussion of mr livingstone s major impact on the jfk case this new book is to be followed closely by a sixth book entirely about the zapruder film called the hoax of the century decoding the forgery of the zapruder film

the assassination of jfk perspectives half a century later is the result of a reconciliation of widely divergent views of the assassination and who was responsible for more than fifty years the jfk assassination has ignited impassioned argument from those who believe the warren commission s conclusion that one man lee harvey oswald acted alone in killing president john f kennedy and those who believe that the assassination was spearheaded by the kgb castro the mob anti castro revolutionaries the military complex the cia or even kennedy s successor lyndon baines johnson to name only a few the conspiracy theories are almost too numerous to list and even include the fervent belief that kennedy s body was stolen prior to autopsy on the very evening of the assassination for the purpose of doctoring the body to frame oswald bob wagner digs into the enormous record of the assassination created by two government investigations and thousands of books and articles written by investigators researchers and historians bob describes the divergent views as being akin to two groups dividing the pieces of a jigsaw puzzle in half and attempting to produce complete pictures with their incomplete pieces once all the puzzle pieces are organized and properly fi t together however as bob s painstaking work shows a real picture emerges and the truth comes into focus bob thoroughly reviews the head spinning morass of fact conjecture and conspiracy theories regarding the assassination of jfk and makes them understandable to those knowing little about the assassination much less all of the conspiracy theories that abound the assassination of jfk perspectives half a century later presents the clearest case against arlen specter s infamous single bullet

theory while also demonstrating why it is clear that lee harvey oswald fired the only shots in dealy plaza on november 22 1963 visit jfkassassinationperspectives.com for more information and to comment
